[*psychological attraction, paradigm shift; an increase in heart rate, respiration goes up, and my reaction to you, screams attraction, but I feel it happen, and I can't help but deny it's true,*

- 1 : the act, process, or power of attracting
- 2 : personal charm
- 3 : the action or power of drawing forth a response - an attractive quality
- 4 : a force acting mutually between particles of matter, tending to draw them together, and lessening their separation by appealing to their desires and tastes <coming attractions>

Public Preview of Outside Attraction
He says he loves my mouth
Says he wonders what my lips feel like
He says he thinks my mouth are glad to me
And that if he sees me again he would kiss me
I would stare back.

The two writers both use repetition throughout the poem. History repeats itself. or History is the record of repetition. Repetition is the death of art.

2016년. 대학교 휴학 중.
한국에 갓 들어와 월세에 끊겨 아르바이트 하던 시절.
아디다스에 미쳐있던 나.
"머리 삼선으로 밀어버릴까"
장난스레 뱉은 말에 친구와 내기하듯 미용실로 가 머리를 밀었어.

2016. Left University.
I just came back to Korea, working as part time job to pay my rent.
I was obsessed with adidas back then too.
"I should shave my head into 3 stripes"
Me and my friends headed straight to the barber right after saying that.

76 Told everyone that I will film adidas with my own hands one day. Not just shooting it, I said Imma be the model. Thinking about it now, I didn't even know how to use a camera properly.

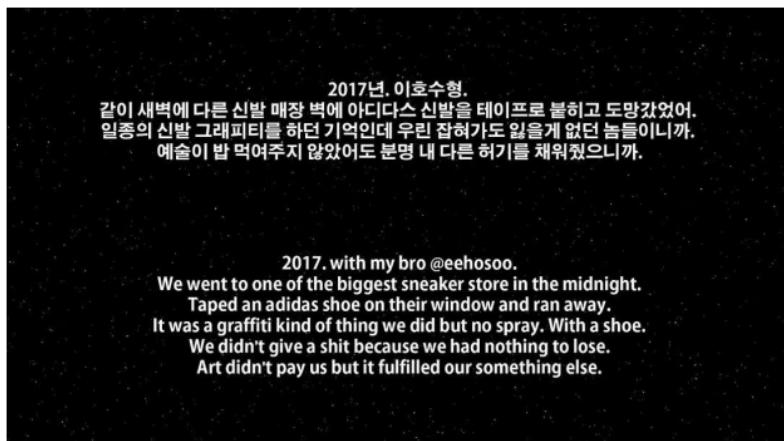

언젠가 아디다스를 내 손으로 촬영할거라 했지.
카메라를 어떻게 쓰는지도 솔직히 잘 몰랐으면서.
내가 출연도 할거라고 뻔뻔하게 얘기하던 기억.

Told everyone that I will film adidas with my own hands one day.
Not just shooting it, I said Imma be the model.
Thinking about it now, I didn't even know how to use a camera properly.
